: DECISION ON  
: PETITION

This is a decision on the PETITION TO RESET A PERIOD FOR REPLY DUE TO LATE  
RECEIPT OF AN OFFICE ACTION filed on December 11, 2007.

On October 10, 2007, a non-final rejection was mailed to Applicant. A three month shortened  
statutory period was given to respond. Petitioner has indicated that the non-final rejection was  
not received until December 4, 2007. On December 11, 2007, the instant petition was filed to  
formally request that the time period set in the October 10, 2007 office action be reset.

**DECISION**

**MPEP 710.06** sets for the criteria for granting the petition to restart the reply period as indicated  
below.

**I. PETITIONS TO RESET A PERIOD FOR REPLY DUE TO LATE RECEIPT  
OF AN OFFICE ACTION**

The Office will grant a petition to restart the previously set period for reply to an Office  
action to run from the date of receipt of the Office action at the correspondence address  
when the following criteria are met:

- (A) the petition is filed within 2 weeks of the date of receipt of the Office action at the  
correspondence address;
- (B) a substantial portion of the set reply period had elapsed on the date of receipt  
(e.g., at least 1 month of a 2- or 3-month reply period had elapsed); and
- (C) the petition includes (1) evidence showing the date of receipt of the Office  
action at the correspondence address (e.g., a copy of the Office action having the  
date of receipt of the Office action at the correspondence address stamped  
thereon, a copy of the envelope (which contained the Office action) having the  
date of receipt of the Office action at the correspondence address stamped  
thereon, etc.), and (2) a statement setting forth the date of receipt of the Office  
action at the correspondence address and explaining how the evidence being  
presented establishes the date of receipt of the Office action at the

correspondence address.

The instant petition was filed within two weeks of the date of receipt of the Office action. More than one month of the reply period has elapsed. The petition includes evidence showing the date of receipt of the October 10, 2007 office action. The showing is sufficient. Accordingly, the petition for restarting the time period for reply is **GRANTED**.

The period for reply is reset to begin as of the date of receipt of the Office action, i.e. December 4, 2007.
